

Please Join Us for the Dedication of the New St. Paul's Lutheran School Building

1780 Career Center Road
Bourbonnais, IL
Sunday July 12, 2009

Our new school will be dedicated on Sunday, July 12th with a worship service, a meal and an open house for the community in the afternoon. We will begin the day with a symbolic procession from the current church and school to the new school. We would like school families to gather in the gym at the current school and other congregational members to gather in the sanctuary at the downtown church at 8:30 a.m. A short prayer will be said and then one or two items will be taken from these locations and processed with to the new school. This will symbolize God leading us in this new direction. The procession will begin at 9:00 a.m.

**General Public Invited to the
2:00 - 4:00pm
Community Open House**

Members meeting at the downtown church should park in the Dearborn parking lot (to the west of the church). We will have people at each location to organize the procession.

If physical limitations keep you from participating in this procession, you can meet us at the new school (1780 Career Center Road). The ribbon cutting ceremony will begin at 10:00 a.m. and the worship service will begin at 10:30 a.m. In the event of rain, the ribbon cutting ceremony will be held just inside the doors of the new school.
