Mission Trip Presentation

This summer a group of youth and adults from St. Paul's served in Puerto Rico.

Our team is very thankful for the support of the congregation at St. Paul's, who helped make this ministry opportunity

possible. In appreciation of your support, we welcome you to join us at the school on **September 22nd, at 12:30 pm** for our presentation on the mission trip. We will share pictures, stories, and testimonies about our service in Puerto Rico.

MANY THANKS!

Our thanks to the following individuals for their hard work Labor Day morning replacing the brick paved areas at the school entrance; Brian Wilson, Scott and Owen Styck, Terry Treece, Bill Balgeman, Pastor Mike, Bethany, Katie and Lena Hanel and Bob Bohlmann.

Some of the old bricks that were still in good shape were used to replace the deteriorated units at the parking lot crosswalk. A nice and needed change to the site.

*Our thanks,
the Boards of Day School and Trustees*

SCORE RECYCLING CONTEST

Welcome back! We look forward to another successful and thrilling year of recycling competition! The SCORE contest is sponsored by Belson Steel and over 30 other area businesses. Last year Belson's awarded almost \$11,000 in cash and prizes to 31 area schools and organizations!

This year **the contest will start on September 30th and run until April 25th, 2020.** Helping us earn money for the school by collecting aluminum cans is easy. All you need to do is mention St. Paul's when you drop off your cans at Belson's. You earn cash for the cans, St. Paul's earns points for the pounds. At the end of the program, St. Paul's will receive an additional amount for every point scored. The schools with the top scores will win additional cash and prizes. You can also drop off cans here at St. Paul's, in the bin by the pop machines in the hallway.
